

A fidget?

What is a fidget?

A fidget is a small object that keeps your hands busy, so you can pay attention to the teacher.

- 1. You should NOT need to look at the fidget. If you look at the fidget, you won't be paying attention in class.**
- 2. You should NOT try to get your friend's attention with the fidget.**
- 3. A fidget needs to stay in your hands or on your desk. It is NOT to be thrown, dropped or bounced.**
- 4. The fidgets belong to you so treat them with respect, do not tear them up.**

Your Teacher may take your fidget from you if you are not following the fidget rules. You may earn your fidget back after you and your teacher

review the fidget rules.
